**HEAD LICE CHECK CONSENT AND VOLUNTEER FORM**

Dear Parents, Guardians and Students,

Periodically, we learn that children in the school have head lice.

In an effort to assist you with this issue, the school is setting up a volunteer lice check program that will check the students in the school. In order to make this happen, we are looking for parent volunteers and we are also asking for your consent to have your child's head check occasionally.

Please be assured that students will be checked one at a time in a private area of the school and confidentiality will be a priority.

Our first check of the year will done on Sept. 24<sup>th</sup>. If your child has long hair, please do not send your child to school with braids, if possible, as that makes it more difficult to check. Thank you for your cooperation!
