March is Nutrition Month: On Thursday, we will be participating in the Big Crunch! Participating schools across Canada will be biting into an apple at approximately the same time to create a “big crunch.” We hope students will come away with an enhanced interest and understanding of local produce, from seed to table as well as the importance of healthy snacking. A special “Thank You” to Mason Apples for their generous donation of apples for this event!

Lost and Found: We have a large collection of lost and found items that will be put out during Parent teacher. Please feel free to come and take a look... the lost and found items are in our lobby area which is to the right as you enter the main office area.
